“ *Pat and Family: Words cannot express the sorrow Jean and I feel at this time. It has been a long and happy friendship from the days at Woodlawn, up until the present. Dave's smiling face, and sense of laughter will certainly be missed as well as his presence. Our loss, heavens gain. Know that we have love and concern for you and your whole family at this time.*

“ *My deepest condolences to the entire family while I never actually met Dave in person, we have worked together for more than 10 years. As a business contact, he was a joy, so I can only imagine what a wonderful person he truly was. May God hold you all in the palm of His Hand.*
