“ David was a soldier for God. His faith kept him going through life here on earth. Life was hard for him, yet his relationship with Jesus kept a smile on his face and an understanding of true trust in the Lord. His faith was stronger than anyone I have ever met. I miss him dearly and think of him often. Love you and long to see you in heaven, your sister Donna

“*Dave, who I often called Wave for his wavy hair, was my best friend. He was best man at my wedding and we were thick as thieves after we met in junior high. Oh, the great times we had together along with third stooge, Jeff (Moe) Teal. We were inseparable. Dave’s wonderful parents and siblings were almost extended family in those times for all we saw of each other. My parents treated Dave as family. Those times are so special in my life and in my memories of my pal, Dave. To have a friend who knew everything about you where there were no secrets that could be kept, who still loved you, was a friend indeed. Dave was that to me. My heart and prayers go out to the Jendrowski family, and in particular his incredible mom and dad. And our faith, which will see us through these times, assures us that Dave is in paradise today and that gives me peace.*”
