Just heard about David's passing. He was an awesome guy. I remember the graduation parties and you always wanted David on your team. He could knock them out of the park.

“ *Dave was a very kind and caring individual. I have known Dave for the better part of ten years through coaching boys youth travel soccer @ Romeo FC.*

Dave was always willing to get involved and he was always very kind to me, as a coach. He always took the time, when the boys I coached were younger, to explain himself and the call he had made and it made my coaching job so much easier.

I will miss seeing him on the sideline of the soccer pitches, in & around the Metro Detroit area.

Deepest condolences to your family from the entire Romeo FC family and the Ybarra's.

Rest in Peace my friend.
