“ I loved talking with Dave in our backyards he was such a nice person he was the first person to tell me about the garden weasel tool and I couldn't stop laughing at the name! I will miss him. Rest In Peace

“ Dave always had a good sense of humor and an infectious laugh. To share a great memory...for a heavenly chuckle, Dave...remember your words of wisdom..."a downs a down!" :) You will be missed!

“*Dave is truly one the friendliest people I've met. I'm really going to miss chatting with Dave. I'm so glad we had a chance to get to know each other over the past couple of years. I'm going to miss our talks about basketball, family and business. I know Dave loved his Detroit Mercy basketball, his Boston Red Sox, and Notre Dame football team. When I was going through my divorce, Dave was very encouraging to me. Always telling me to stay positive and think about my kids. Thanks for being a great friend, Dave.*
