“ Dear family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one David K Ritchie. From personal experience I know that the death of a love one causes many different emotions which are somewhat unpredictable. Let me share with you a Bible text I found comfort in, “The hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life.”—John 5:28, 29.

“ *Dave was the UPS driver at my office. He was such a nice man; always so friendly and always had a smile on his face. He would deliver to us 2-3 times a week. We will miss seeing him. Condolences to his family.*

“ Dave was our company UPS driver for a long time. We were fortunate enough to see him twice a day, 5 days a week. He was always so nice and very personable. We saw him not long before he passed away. It was such a shock and truly saddening to find out we will not be seeing his friendly smile anymore. Rest peacefully Dave!

“ Dave was my company's UPS driver for many years until his route was changed. I still saw him sporadically when he needed to cover for other drivers. I consider Dave a friend. He was always nice and fun to talk to. He was very proud of his daughter and talked about her often. Such a shock and sad to think this wonderful person is no longer here. God Bless all his family and friends!

“ *Words cannot express the sorrow we feel for the loss of our dear friend Dave Ritchie. I spoke with him for quite some time just three days ago. He was very proud of his daughter Lauren and loves his wife Terri very much. I have known Dave for 40 years. He was a hard working man and well liked by all who knew him. Dave loved to hunt, fish, and spend time outdoors. He was the best man in our wedding. His friendship, love, and compassion will be sorely missed.*
