“ *He was an awesome guy and will be missed. I'll always remember the great fishing trips and stories he shared with us. My favorite fishing trip with him was when I caught my Muskie and he could barely pull it into to boat. I love you grandpa and will miss the hell out of you Grandpa*

“ *He had that southern accent. You know, the one that measures time by how old a raccoon is. Anyways, he had that story telling thing going on. He had a way of saying things without mincing words. You will be missed.*
