“ *Dear Ann and family, We are so sorry to hear that Dave has passed. Greg stopped in to visit a few weeks back, but he wasn't in the business finding out that you sold it. He was a great guy and Greg loved chatting up with him and helping out with it. You two are so much a part of our family for sooo many years and we'll truly miss him. Our thought and prayers are with your family at this time. If you are in need of anything that we can help with, please never hesitate to ask. All our love.*

“ *Dave was one of the first friends I made in this business. We golfed a couple of times together and bounced ideas off each other. We would crack each other up with stories too. He was such a good guy and will be missed. Peace to you Dave my friend.*
