“ I am heartbroken to learn of David's passing. He was so much fun . Some of my fondest memories are of the times our Moms worked for bc/bs afternoons and they would get together after work and take us to the Clock restaurant. David and I would eat a plate of silver dollar pancakes then put a quarter in the jukebox and dance in our footie pajamas and laugh our heads off. He was my very first friend and a loving and devoted son. I will miss him and think of him often and smile.

“ David,
I cant tell you how many times I staired at this screen trying to find the words, some words, any words.. then I heard you singing in my ear..

*"Will the wind ever remember
the names it has blow in the past?
And with this crutch, its old age, and its wisdom
it whispers no, this will be the last"*

Dave: You brought love and laughter always when we all could be together! We were so looking forward to seeing you in this new year, now you're gone, but never forgotten. We will miss seeing that great smile we love so much, but all we have to do is remember, and see it always!
