“ I second that Dave was a large part of MSN's success. I believe his favorite time of year was "Crusader Day" when students picked up schedules and learned how to open their lockers. Mr. Stano was always happily available to help and advise young Crusaders how to navigate the practice of locker entry! Thank you Mr.Stano, God bless you and your family.

I am honored to have been able to work with Dave Stano. Dave was an incredible support to me as well as a dear friend. We retired together in 2010. It was a pleasure and privilege to have spent the last ten years of our careers to have worked and retired together. My prayers are uplifted on behalf of his family at this difficult time of loss. God bless you, Dave Stano.

“ Dave was one of the most integral members of the L'Anse Creuse Middle School-North family during our time together from 2000 until his retirement. Any decision that was made impacting the physical building - whether it was how to best collect the students' bottles and cans to prevent them from going into landfills, to how to remodel the building twice when district bonds passed while we worked together - was a better decision because Dave was so involved in the process. Such a smart, caring fellow employee, husband, father, and friend! God bless him, and his family!
