July 14, 1950 - June 7, 2005

David Michael DeLiso, Age 54. Beloved son of Ralph and Dolores DeLiso. Dear brother of Roger. David lived a full and enthusiastic life in the company of his family, friends and two great passions--music and electronics. A rock drummer from his mid-teens, his lifelong love of music never diminished and was a constant companion throughout his days. A gifted mathematician and electronics specialist, David's professional excellence was recognized by all who knew and worked with him. His kind and giving nature will be dearly missed.

“ *Dear Roger;*

Please accept my deepest condolences to you and your mother. I've thought about you and your brother often since I heard about his illness. He was fortunate to have your love and care.

I'm out of town and won't be able to attend the service, but I will be in touch with you next week.

Love, Bob##imported-begin##Bob Weber##imported-end##

“ *I'm very saddened to hear the news of Dave's death. I have many fine memories of the laughs we had as kids and playing music with Dave and Roger. The laughs we had with Dave and Mr Deliso were priceless. I am in Las Vegas and will not be able to visit with you these next few days but will touch base when I return. My heart goes out to the Deliso family.##imported-begin##John Rizzo##imported-end##*
