“ Jeff, I can't imagine how you and Julia and Madison even begin to get thru each day - there has to be such a huge void in your heart, your home, your family right now. I only met Dawn once, but thoroughly enjoyed talking with her and loved spending time with your girls at the Take Your Kids To Work Day - - - I'm just at a complete loss of words - so wish there was something, anything, that could be done to help you all thru this time. I'm so sorry. Cheryl Lystad Smith (& Dave)

“ My deepest condolences to the girls and your family! I never new how sick she was she never lead me to believe it was as serious as it seemed to be! I have been doing Dawn's hair for many years and I considered her a dear friend and she was always so sweet and very easy to talk to. She was a great person and we will all miss her deeply!

“ Dawn will be greatly missed and forever remembered as an advocate for students with special needs, her wonderful sense of humor, her love of animals, , and most of all how much she loved her girls! On the toughest of days at work, Dawn could always find a way to make me laugh. It was a privilege to work with her at Huron and she will be greatly missed. “ Jeff-It breaks my heart to hear about Dawn, I am deeply sorry and saddened for what you and your girls are feeling at this time. It had been many years since hanging out with Dawn but I'm grateful that I was able to see and talk with you both at Patty's 50th. This is a quote that I think of often and ends up making me smile when a memory of a loved one just crosses my mind... "Those we love don't go away...they walk beside us everyday...Unseen, Unheard, but always near...Still loved, still missed and very dear" Heaven has gained a Beautiful Angel and Dawn will be watching over you, your family and all of us who she has touched over the years. -DeAnna

“ Dawn was an amazing person, mom and one of the best friends I have ever had. We were brought together through our girls and became instant friends. She was always such a supportive friend and there for everyone. Dawn was such a big part of my life spending so much time together with our girls. I will always remember our times at Girl Scout camp, watching our girls dance together, taking them to their first concert, and many many more. She was so proud of her girls and just loved being their mom. We will forever miss your laugh and beautiful smile my friend. We pray for comfort and peace for Jeff and your beautiful girls Madison and Julia. Love Amy, Todd, Griffin, Gavin and Grace Bloch

“ Dawn was such a special person to work with at Huron. She was always on a mission to advocate for her students. I have seen her passion for every one of her students throughout the years. She was a friend to all. Not only that, she was the best Mom to Julia and Maddy, who are such wonderful, beautiful, and talented girls just like their Mom. She gave so much of herself to others and always did so armed with her amazing sense of humor and zest for fun! I will forever cherish the Bob Ross trinkets and other thoughtful items she and the girls gifted me over the years for being their art teacher. She will be greatly missed. ❤️

“ Dawn was always the life of the party! Her sarcasm, honesty and witty comments made everyone laugh and could lift you out of your darkest moods. She was such a wonderful advocate for her students and worked so hard to get them the services they deserved. Her sense of humor shown even in the little things- like Julia's Kindergarten project of disguising a turkey. Only Dawn would have thought of something so funny! The memory shows up in my timeline every Thanksgiving and makes me smile. She loved Julia, Maddy and Jeff with all her heart. My thoughts and prayers are with Jeff, Julia, and Maddy. You will be greatly missed, my friend.

“ Dawn was such a special person and always made me feel so welcome wherever she was. She was someone that I felt I could truly open up to and be honest with. She always was there to comfort be or offer support. Dawn made me laugh even when I wanted to cry. She seemed to know the right thing to say to help in any situation. Another thing I will always cherish about Dawn is our shared love of dogs. Dawn always commented on my pictures of my dog Sarge and when I lost him, her words helped to heal my heart. I could see and feel how much she loves her family (fur members included!) and that is just a portion of what made Dawn one of the best people. I will never forget her! I am thinking of all her loved ones, sending virtual hugs to everyone.

“ Dawn shared her love for life with her two beautiful girls and was so proud of them! My heart aches for Jeff, Julia and Maddy. “ I met Dawn many years ago through her Manistee cousins. Over the years she became like a cousin/friend to me too. I looked forward to seeing her, and later her and her family, every 4th of July. We shared so many good laughs over the years...I will cherish those memories forever. And even though I know she will send beautiful sunsets to the Lakeshore Motel from Heaven, watching it without her won't be the same. She will be so incredibly missed!

“ I met Dawn when we were both fairly new to Chippewa Valley and were enrolled in crash course in Troy for an instructional reading program. We talked on the phone just a couple of months ago about juggling work and kids and taking care of ourselves. I will miss her helpful advice and kindness.

“ I met Dawn when my school principal asked me if I was interested in having a student teacher. We made an instant connection. We both came from a Polish heritage and had husbands who loved boats and boating. Dawn became my student teacher, and it was the start of a wonderful friendship. She had so much caring, concern, and compassion for the students, and they all loved her. I was so happy for Dawn when she achieved her dream of becoming a special education teacher. Through the years Dawn and I enjoyed sharing our teaching experiences. Whenever we were together we were never at a loss for words. I will miss her immensely. Jeff, Julia, and Maddy, Dean and I send you our love and sympathy. We will keep you and Dawn in our thoughts and prayers. Even after we moved, Dawn made it a point to reach out to me to get our girls/kids together at the zoo, marshmallow drops, bring your kids to work day, birthday parties, etc. She was so easy to talk to, down-to-earth, creative, and warm. During my first year at Huron I integrated one of my students into her resource room class and general education; which can be a scary process, especially as a first year teacher. She made the process painless and easy! She was one of my favorite people to visit during the school day when I needed to vent. I also was lucky enough to run a 5K with her and Maddy. I'll miss her very much but am so blessed to have known her and learned from her.

“ Dawn made me laugh all the time. She was supportive, kind, and always found a way to make some fun! I was blessed to work with her at Clinton Valley and Huron, and teach her daughters Maddy and Julia. My heart goes out to them and to Jeff. Dawn was one of a kind!!

“ Dawn was my dear friend for many years and we always had so much fun together on land and the waters. She and Jeff made our Wedding brighter by being there with us and sharing our days in Wine Country. I will always remember the great times we shared throughout the years.

“ Dawn and I worked together for a few years at CV. When she was first diagnosed, she and I started texting to compare treatments and stories about our battles with cancer. Through it all, she was always cracking jokes. I will remember her as a lovely, vivacious person who always made people laugh.

“ I will always remember Dawn, fondly as a wonderful colleague, special educator and friend. I met Dawn at a teacher's meeting shortly after the loss of her mother, who she missed dearly. We often talked about the void of missing our mothers. I pray that the comfort of Dawn's reunion with her mom and dad, comfort her beautiful girls and husband, during this most sad and most difficult time. Please know that I am praying for you and the rest of Dawn's family. I will miss Dawn's smile, warm heart and genuineness. She will be missed by many in the school district, and for sure... by me. Rest in Peace, Dawn.
