“ Sorry for your loss. My husband and I both had bookkeeping from Mr Quick. I later worked with him at the district. He made a difference in our lives. My husband became an accountant, and now we both run the accounting department for a small company.
Your family is in our prayers. John and Theresa McGuire

“ *Mr. Quick was my seventh and eighth grade math teacher back in the 60's. He was one of favorite teachers. So much so, that I became a teacher. I taught 30 years in Michigan and five in Texas. My first five was in Warren Woods. I'd like to thank Mr. Quick for being an inspiration for me. I don't remember anything about seventh or eighth grade math, but he placed the most girl in school in front of me. Thanx, Mr. Quick! Tim Francek*

We had Dean for Bookkeeping(Diana) and Personal Typing(me) back in his early years of teaching at Lake Shore High School. There are teachers and then there are teachers that you never forget having. That was Dean. When I started teaching at WW, I was pleasantly surprised to see him there. We both enjoyed seeing him at the many WW activities. We will miss his "stories"at the retirees' breakfasts. May he Rest In Peace.
