“Deanna was my dearest and closest cousin, almost like a sister. She will especially be remembered for her kindness to my deceased Mother (Mary Grochowski). Deanna at times would refer to My Mother Mary as her second Mother. My mother spent much time as a sitter for Deanna when she was a child. Deanna in turn spent much time visiting my Mom when she was in assisted living at American House in Rochester Hills, MI.

*I will always remember her as a playmate and we shared many happy memories growing up together. I chose Deanna to be Godmother for my first-born daughter (Lynn Marie Anderson).*

*Deanna, please know that I always loved you and will cherish the happy memories we made and shared. May God be with you as you enter eternal life. Love you always, Nancy (Grochowski-Anderson).*

*As my mother stated above, she was my godmother and she was always very kind and generous towards me. I knew her affectionately as Aunt Diane. She's always remembered me on my birthday and Christmas when I was growing up, and I'll never forget how generous her wedding gift was for me when I married Steve Ruskin about 10 years ago. I still have a beautiful silk nightgown she gave to me as a Christmas gift years ago, and a little china figurine she gave to me when I was a little girl with a little poem about August attached to it, since my birthday is on August 22ND. She also gave me a beautiful necklace made of freshwater pearls on my wedding day that I will always keep and treasure forever. She meant so much to me and I hold her in the highest regard as being a very dynamic and amazing and supportive person. I love her and I know she's in Heaven now. I can't bear to be at her funeral on Wednesday only because I've already lost so many other close relatives in recent years, but I am there in spirit. Thank you, Lynn Marie Anderson*
