“ Sorry for your lost there is something I would like to share with you,,about a promise that Jehovah our God has told us. In regards to what grand things the future holds for us. Imagine a place where there is . No more pain, crying, sarrow, death this is the promise . That our God will give us according to his word the bible at Psalm 37:29 these things will be of the past.

“ Hello to all of you boys! I wish I lived closer so that I could attend the service. I have wonderful memories of your mom and babysitting for you, Kirk! Oh how she loved her music and records, especially Herb Albert!

“ I will never forget you Deanna. You were the Mom that understood me when I was 18 and confused. The person that showed me that love and romance was real. There is no part of me that will ever forget you you and will never stop loving you. xoxox Lee Lee

“ "In one sense there is no death. The life of a soul on earth lasts beyond departure. You will always feel that life touching yours, that voice speaking to you. She lives on in your life and in the lives of all others that knew her."

*A great quote for a wonderful family. May your grief be short and your memories long.*
