“ It breaks my heart that an amazing woman has passed. Ma and Pops took me on as her daughter. She was a mom to me. She took my daughter on as a granddaughter. We will forever miss them both. We had so many talks. Many laughs and some tears. My thoughts and prayers go out to the family.

“ *To my beautiful and talented sister I say goodbye until we meet again. All of us at Villa Bella will miss you, but not as much as I will. We had gotten so close the past few years, I will miss our private talks. I love you to the moon and back.*
