“ So saddened to hear this sad news. Known Debbie and her family since 1979, as my next door neighbors. Debbie was the sweetest and most sincere person I've had the privilege to know in my life. Many wonderful memories of her, I will miss her beautiful personality greatly. Love you Deb!!

“ My condolences Gordon to you and your family. I worked with Debbie at WCS Funeral Home. When I first started there she was always so helpful and kind and taught many of the in and outs of the operation. Gordon she was a very knowledgeable and giving lady in her own special way. I remember so many of our talks outside when we had the smoking break...LOL! I have always think here many of times as she helped me set up many of the clerical records and how to do them properly, and she was very meticulous as now I try to teach people to do the same. Its tough losing such a good person I know and she will be missed by many I am sure. Such a young person taken so soon and I want to wish you God's Blessing to all of you as you go through this difficult times.
