“ I first met Deb 10 years ago when I expressed interest in joining MHEGA (now MCACHE). Since that time, Deb was always willing to assist and lend a helping hand. Without her incredible planning skills, attentiveness to detail and quick follow-up, we wouldn't have planned successful events for graduate students.

Deb was so kind, genuine and always had a glowing smile. One of the things that I admire about Deb is that she never complained. In fact, in one of my last conversations with her, I shared that her ability to remain strong gave me the confidence I needed to face my own challenges in life. She truly blessed me and I will really miss her. My deepest sympathies and prayers for the family.

“ I am so sorry to hear of the passing of Deb Ellis! She was a beautiful human being, with a warm, generous heart and a lovely smile. I interacted with Deb many times over the years, as a MICACHE member. Deb was always extremely helpful, friendly and cheerful. She maintained this lovely disposition even after being diagnosed with cancer. The last time I saw Deb was fall 2015 at the MICACHE annual golf outing. I had the privilege of working with Deb as a volunteer to check in members attending the event. She was more concerned about the comfort of others and being of service; demonstrating her typical efficiency and professionalism. I remember she spoke about being in remission and was filled with hope and faith, never complaining. Her faith was inspirational. I am blessed to have known Deb. My deepest sympathy and heartfelt condolences to Deb's family and friends!

I'm so sorry to hear this and my heart goes out to all her family. Wow what a wonderful dear person who I'm sorry to say I only know her through her MCACHE emails. She was this constant for so many years working tirelessly, so devoted and so good at her job. She touched so many of us whom she never personally met, but we felt her presence and her kindness and her dedication. My prayers go out to those who loved her at home and at work. She will be in my thoughts. Thank you for sharing her with so many of us. Linda Larin
