“ *Debbie and I served together in the Air Force. She was a fierce friend and an amazing woman. I am still in shock that she is gone. Serving with her was a privilege. But it's all the memories after that I will cherish. Our trip to Canada when we came home on leave was the best. You kept me grounded. You were an angel on earth helping those that needed it as a nurse. You touched so many lives. You will be missed my friend. My heart breaks for your family and friends. I just can't believe you are gone. Rest easy Debbie. You'll always be Underwood to me.*
