“ My thoughts and prayers are with Dr. Redding and his family. Debbie was such a kind loving person. I always enjoyed talking to her at the office. She always went above & beyond for all the patients. I'll always remember her smile and our little chats every visit I had during my pregnancies and after. May she rest in peace.

“ *Debbie was my nurse when I had my cerclage during my twin pregnancy. She also taught my Lamaze classes at St. John's. She was always caring and has a smile on her face. I'd see her at the office, talk to her on the phone when I called the office, or run into her at Party City doing errands. She always asked how I was doing and was busy doing something for her kids. She will be missed.*
