“ *If tomorrow starts without me, and I'm not there to see.*

*If the sun should rise and find your eyes all filled with tears for me*

*I wish so much you wouldn't cry the way you did today. While thinking of the many things we didn't get to say.*

*I know how much you love me, As much as I love you, and each time that you think of me, I know you'll miss me too;*

*But when tomorrow starts without me, Please try to understand, that an angel came and called my name, And took me by the hand*

*And said my place was ready, in heaven far above, And that I'd have to leave behind all those I dearly love.*

*But as I turned to walk away, A tear fell from my eye, For all my life, I'd always thought, I didn't want to die.*

*I had so much to live for, So much left yet to do, it seemed almost impossible, that I was leaving you.*

*I thought of all the yesterdays, the good ones and the bad, I thought of all that we had shared, and all the fun we had.*

*If I could relive yesterday, just even for a while, I'd say good-bye and kiss you and maybe see you smile.*

*But then I fully realized, that this could never be, for emptiness and memories, would take the place of me.*

*And when I thought of worldly things, I might miss come tomorrow, I thought of you, and when I did, my heart was filled with sorrow.*

*But when I walked through heaven's gates, I felt so much at home. When God looked down and smiled at me, From His great golden*

*throne,*

*He said, "This is eternity, and all I've promised you." Today your life on earth is past, but here life starts anew.*

*I promise no tomorrow, but today will always last, and since each day is the same way, there's no longing for the past.*

*You have been so faithful, so trusting and so true. Though there were times you did some things, you knew you shouldn't do.*

*But you have been forgiven, and now at last you're free. So won't you come and take my hand, and share my life with me*

*So when tomorrow starts without me, don't think we're far apart, for every time you think of me, I'm right here, in your heart.*
