“ I met Mr. Delbert at the Detroit News back in August of 1976. I worked in the billing department, and he was in the credit dept. He was a joy in our office. He came over to my grandma's house with his wife to pick bartlet pears off the tree. Those pears were so ripe, that there were bumble bees all over the place, and that didn't stop him from picking, and the bees never bothered him. I think they knew he was there to bother them, he just wanted those pears. That is one of my great memories of him, I will treasure forever. Rest in peace Delbert, you will be missed.....Cheryl###imported-begin##Cheryl Lipinski###imported-end##

“ I am so sorry to hear of Delberts passing. I worked with him at the Detroit Newspapers. He had a wonderful personalty, loved his garden and could make killer sauerkraut. He loved his retirement cake that I did for him as much as i enjoyed making it. His laugh would light up a room. He had quite a sense of humor. I am sure he is up there gardening for the Lord. My best to the family.###imported-begin##Carol Allan###imported-end##
