“ I recently retired as a custodian at Central United Methodist Church. 8 years ago I had the privilege to meet her and see her in action at the church. She was involved in everything. Helping watch the children, helping at the rummage sales, active in the Olive Mae circles. I truly have never met a dearer person. I would be shopping at the local Meijer and I saw her there several times over the years and she would always come up to me with her sweet sweet smile to say hello. May the angels welcome you to paradise dear lady. You will be missed by so many but will never never be forgotten. Gerry Stevenson

“ I have so many fond memories of Della. Growing up, I enjoyed spending the night at Grandpa Schram and Della's. We would go garage sailing on the way home when they would drive my sister and I back to our parents. I'm gla I reconnected with Della a couple years ago. I'm sorry for your families loss.

Our family loved Della. She helped watch my Mother that had Dementia when we would go away, and although my Mother's memory was fading, she knew the name Della and was happy when she came to our house. We will always love her, she was a wonderful person and we will miss her. Rest in peace Della, you are an angel now as you were on Earth.
