*When looking at all the pictures of you Mom I realized how very beautiful you are and how lucky I was to have you for my mom for as long as I did. I will always remember your smile and the silly things you used to say to me and how you used to call me "Susabell" (I always hated that) but loved when you called me Susie :) I'm grateful for the chance I had to say "I love you" and to hear you say "I love you Sue". My memories are many and they are as beautiful as you!
LOVE YOU WITH ALL MY HEART!*
