“ *This is not a timely comment, sorry, I just saw this about Delores Stanley! It been more than a half of a life time ago. She and Herbert were always very nice to me and I have only nice memories of Vicki's Mom and Dad. I still think of my parents on a very regular basis, years after their passing. Forgive the lateness of this message.*

“ *Every holiday and many Sundays, I observed Delores over at her daughter's home. She always had a smile of her face, and truly loved her family. Just a tiny person but a huge spirit, she'll be missed greatly but no more pain for her.* Sharon S
