“ My name is Randy and I would like to share a fond memory of del (mom)! i met delphine when I was seventeen, I was a northern country boy new to the big city and had met her daughter Cathe who became my first and only true love, I was sure there was no way I would fit in with the family and friends of Delphine, Sonny and Cathe! but i sure was wrong! I found that there were folks in THE BIG CITY that did'nt judge a person for looks, or where they came from nor what your past may have been. It sure was'nt in her nature to do so! Del seemed to always have a place in her heart for all and you could'nt help but open a spot in your heart for her, Del was like a mother to me and i loved her as such. I believe anyone that new her felt that way, I havent seen or been in touch with Delphine in many years but I never forgot her or the love she had for me as one of her kids or the love she had for life and humanity. I never forgot her nor will I ever for as long as I may walk this earth forget the love and kindness of delphine! if there is a god then he surely has a true and loving soul with him now! sleep well mom .

“ *Cathe, Kyle & Kira-*

I am so sorry for the loss you are going through. I know that your mom loved you, Cathe more than anything and you and Kyle & Kira were her life. All of you took such great care of her. I have so many good memories of our childhood with Christmas's and holidays at our houses. Aunt Del fought so hard at the end and showed amazing strength. I pray that the memories you all have shared through the years will give all of you strength and peace in the days and months to come. You now have another angel watching over each of you and I am sure Cathe that your dad & mom are now reunited and will be watching over you and Kyle & Kira forever. God bless you Aunt Delphine!

Del, You were one of the best friends that I know. I know it has been a few years since we last saw each other but it was always a good visit when we were able to get together. I met you and Sonny both quite a few years ago in the late 70's or early 80's through my son Randy and Cathe. Cathe has always been and always will be a second Daughter to me, as that is the way I feel. You did an excellent Job in raising such a beautiful and caring Daughter. You will be missed by many. You and I are the same age as I just turned 74 the 24th. of May. So we will meet again. You are in a better place and have God as your protector now and will take a good Job of taking care of you now. There is another Angel in Heaven to help watch over Cathe and your grandchildren. I only wish I were able to travel to be there for my Number 2 Daughter in her time of need. I love her so very much. If I had an auto I could depend on I would be there for her in a Heart beat anyway, but I have no choice right now. You really were one of the greatest ladies I knew. Cathe I will always be here for you to talk to or for whatever I am able to do for you if you need me. You are no longer in Pain, God rest in Peace, my friend. Donna, Darryl and Jane, Mom loved you all and often talked about us taking one more trip to Colorado. I'm just so happy I got her there the one time I did. Thank you for having us and do know you are always welcome here if you come back to the big "D" (suburbs)!

Del, My Dear Friend. You have been through a lot and have always been a tough cookie. But now you are in Pain no longer and are now in Heaven with Sonny. You are another Angel in Heaven, another Bright Star in the Sky to watch over our Cathe and your grandchildren. I met you many years ago through my Son and Cathe. We have been good friends ever since and though we did not see each other enough with you living down state and me here in Charlevoix. We remained very good friends. When you and Cathe would come up to Camp you would stop by and visit and when I had a chance to come down state I would stop and visit. They would always be very nice visits. Of course we talked about my Son Randy and your daughter Cathe. Cathe has and always will be my second Daughter as I know you felt Randy as a Son. I just turned 74 the 24th. of May, so there was not that much difference in our age, so we will meet again my friend, And in the next life who knows, hopefully things will not be full of crime, hate and Pain, but full of Love for everything. I'm sure there will be a Bingo Place in Heaven so win big my dear friend and save a seat for me. God has you in his hands now so you are in good care. I wish we had a dependable Auto because Randy and I would be there for Cathe in a Heart Beat. If she ever needs me to talk to or anything possible I can do, I will always be here for her. As long as I walk this Earth. Tell Sonny hello. I will never forget you and will always be in my Heart my friend So sleep well and rest in Peace.
