Darinda and Ellsworth your mother was a dear friend and colleague of mine...I shall miss our luncheons at Jamesons and Sidetrack, the lotto clubs' outings to baseball and hockey games....a memorable one was at a Plymouth Whaler game... On our way to our seats she noticed Red Wings Kris Draper, as we approached he pulled out a pen to give an autograph and I said I think you are in our seats! After she laughed and said, we should of gotten his autograph!....Always able to make one laugh especially if it were about politics, a Democrat through and through!.....So sorry for your and our loss.....Denise, my friend and colleague will be missed!
