“ *Oh Denise, where do I begin? We met at RSMA years ago and we had many conversations and most of them were about our dogs. You were just so easy to talk to and so caring! I will remember you always and the love you had for your St. Bernards. I tried my best to keep an eye out for one for you, but timing was never good. RIP my dear friend until we meet again. I will miss you bunches! My deepest sympathy and prayers go out to your family in their time of sorrow.*
