“ My heart truly hurts to hear such an amazing person has gone home to the Lord! My heart goes out to all the people that Denise has truly touched! Her beautiful family that she talked about all of the time! I worked with a Denise and created such an amazing bond with her! A bond that I never expect but I am so grateful for! I will pray for peace for her entire family and all of her friends because I know she would have never wanted anyone to be sad or worry about her! I truly have missed you Denise and hope you are finally resting in peace!
