You left us too soon but Heaven gained another Angel... I love you and I will miss you dearly...Thanks for all the great times!!*

Uncle Dennis. Where to begin....First off, you are by far one of the most loved men ever. You brought love and spirit wherever you were. You always were the life of the party and ALWAYS made everybody laugh and have a great time. One of my fondest memories of you was when I was little girl and you called our house, you always told me you were Peter Pierogi, and that was so cool!! I would yell for my Mom and be so excited because this guy named Peter Pierogi was calling to set up a Pierogi delivery, I think I was 13 when I finally figured out it was you, but let me tell you, you were tied for first place with Santa and the Easter Bunny!!! I mean really, how awesome was that? You made everyone feel special every Holiday. All of the kids/cousins could never get enough of Uncle Dennis!!! I could go on and on, but to sum it up, you were a great Uncle, Brother, Father, Son, Grandfather, Cousin and friend to all that were blessed to have known you. You never lost your sense of humor, when I got older and would go to the casino, you would always crack me up BigTime with the Eric/Gerbil jokes and that Kenny would walk around with Eric in his shirt pocket!!! You had absolutely the Best sense of humor out of anybody I have ever met. You were a very good family man and took great pride in being a Father and your Family Values were passed on to Denny & Matt, because you raised 2 very good, respectable Family men and were very proud of them and it showed. Everyone in our Family has very special, fond memories of you and you will always be loved greatly and missed dearly. It was an honor being your niece and I was very proud to say, That's my Uncle--Peter Pierogi!!! Love you and Miss you, your niece Tamara.
