“ I was so glad to have gotten to share Thanksgiving with Dennis while we watched a Clint Eastwood movie in the family room. I always referred to Dennis as "Steve Austin" - The Six Million Dollar Man. His courage, strength and perseverance goes outside the perimeter of normal human beings. Anytime I had a surgery to face, or a personal mountain to climb, Dennis (aka) Steve Austin came to mind and I could and would handle it. Thank you Dennis for sharing your strength with me and always being a honorable gentleman which is in short supply these days.

“ Phyllis, Jenny, and Ed, I was saddened to hear about the passing of Dennis. I know my parents and brother would be there for you, and I know they are thinking of your family from a distance. You're on my mind as well, and I'll see you Saturday. Cheryl Urban Giardini
