“ So many memories of your amazing karaoke talents on display, as if your voice wasn't enough you would snap your fingers and move your hips. Your top-notch 4th of July parties with endless entertainment which sometimes included misfires into the crowd. Your unmistakable laugh and joy for life.

*I recently tried visiting you at the hospital and found myself in your room watching Wendy Williams in your room hoping you would return there but you were likely elsewhere in the hospital making someone smile or laugh...you were good at that. Sorry I missed you that day. And why was Wendy Williams on the TV?!*

*As my realtor, you recently told me you would burn my next house down if I used any agent other than yourself. This is what the best of agents tell their clients.*

*Every year we bet on the Michigan vs Michigan State game and this year was another forgettable moment but I'm sure it made your day. You have been getting the better end of this bet for years now and many meals were made more enjoyable for you since I had to pay but your company was worth it.*

*I'm beyond grateful to have known you and to have shared the joys of life.  
You will surely be missed.*

*God Bless!*

*Your friend,  
Aaron Secondino*
