“ *Dear Marge and Uncle Denny's children and grandchildren, I was deeply saddened by this news. Please know that the California family of Hagedorn's, Arauz's, Schaeffer's, Ratherts and Lively's share in your loss, and that we have you in our prayers and thoughts. I will always remember my Uncle for his wonderful, innocent humor, and the growing up we did together. He was a mentor and a wonderful example of how to enjoy life and family. I will carry him in my heart forever, because he has resided there for so long with every memory a cherished one. I am sorry I could not have been there for you this week. I needed to help another friend and employee with this same kind of grief. Uncle Denny is now with his family in heaven, watching after us, and reminding me to never take myself too seriously. His was an example of love. That is my memory. Love to all of you.##imported-begin##Al Hagedorn##imported-end##*

“ Dear Tim, Pat, Jeremy and Katie, we were really sorry to hear about your fathers' passing. I had just told the family that I had finally talked to him after such a long time. It was really good to get caught up on the family. Our sympathy is with you, but I know the memories you will share at this time will bring you comfort. God's Blessings and all our love to all. “ Marge and family:

Steve and I are so shocked by our dear uncle's death. Being the youngest in his family, we just don't expect these things to happen.

Please know that our prayers and thoughts are always with you during this saddened time. We will miss him so much.

If there is anything you need, let us know.

Love and deep empathy,

“ I, like so many others, cannot fathom the loss you all feel at this time, Aunt Margie, Pat, Jeremy, Tim and Katie (and your spouses), as well as our surviving dear aunts and uncles. Those of the Browns who have passed before Uncle Denny must have been pretty influential up there in Heaven to have him called "home" at such a young age. But that's the way the Browns are! Please know that our prayers and love are with you always. And for all of you:

*Lord keep Your arm around my shoulder and
Your hand over my mouth
May the road rise to meet you,
May the wind be always at your back,
May the sun shine warm upon your face,
The rains fall soft upon your fields and,
Until we meet again,
May God hold you in the palm of His hand.*

“ Dear Cousins, Aunts & Uncles and family,

Though I can't be with you, I send my heartfelt sympathy to you as you lay your father/brother to rest. Your dear one, my Uncle Denny, is even now teaching us all how to live. My heart is breaking for your loss. Just know that there is a lot of love for you in this universe.

I will always remember Uncle Denny and his silly Brown humor. He was such a charmer wearing Aunt Margies glamour earrings at the Brown Reunion last summer.

Much love to you all,

“ Dear Brown Family,

We will never forget the good times that we shared with you and your dad as leaders and scouts in Troop #156 - from the CanAm campouts to the fun we had doing scout service projects together! Your dad was a kind spirit who was happy to share his talents leading the scouts. He and your mother were both generous with their time - remember how many neck scarves she cut and sewed for the guys?! Your dad will be remembered and missed by many!

Our sincerest sympathy,

“ Dear Tim, Pat, Jeremy, and Katie...I am so sorry to hear of your father's passing. I will always remember his kind and gentle ways...our parties at your house and the Grenda's pool...your sweet and giving mom...and all the good times we had with you kids. I have many pictures of all of you with Chris, Rob, Becky, and Teddy! Your parents gave you loving examples and I'm sure you will all carry on their traditions with your own families. Please know you are each in my thoughts and prayers. Love to you all, Nancy Turnbell###imported-begin##Nancy (Shade) Turnbell###imported-end##
