“ *Dear Families, It is weird where your mind takes you when you hear such terribly sad news. It was like yesterday Derek stood in my parents living room at the age of one. It was his first trip to our house where we got to meet him for the first time. He stood there just looking at all eight of us, a little unsure of the people staring at him, smiling. You guys were so proud, addressing him as "Son" and smiling back at him. As Derek made you feel so proud that day in life, may you find comfort in that feeling today.##imported-begin##Mary Beth Ireland-Held##imported-end##*

“ *Mr & Mrs Fraser, I just got a call from Kevin Koldys and got the news about Dereks passing. I am not sure if you remember me because it has been such a long time since I have seen any of you. I want to pass on my most sincere condolences. It has been a long time since I have had any contact with Derek because I am still in the Army and have been deployed a lot the last couple of years. I do talk to Kevin and he always would keep me posted an what Derek was up to. When I heard I couldnt believe it, Derek was like a brother to me in high school. We spent a lot of time together and I always enjoyed the time I spent at your house with him and your family. Even though I havent talked to him in a long time I am truely going to miss him and his friendship will always be a special part of my life. I wish I could attend his service but I am currently living in Texas. Your entire family will be in my thoughts and prayers.##imported-begin##Craig Sandles##imported-end##*

“ Dear Fraser family,

*You may not remember me, but Derek and I were very close friends through high school. I am truly sorry for your loss. Over the years Derek and I had lost touch, I now live in San Diego. Derek will truly be missed and he will remain in our memories forever.*

*My family will keep yours in our prayers during this time of need.*

*With the greatest sympathy,*
