“ We were best friends in middleschool. I haven't spoke to him since 2008. I'm sure he's already caught up with Mike Coquit. Fly high man.

“ To the Mother of Devin. How amazing is it that you raise this awesome young man who was full of life and yet you Mom partake in the worst of his indulgences and condone it. You are such the perfect example of what a Mother could and should be. We are not all perfect like the Mother you have been in his life and I hope that you are able to rest in peace and be assured that our heavenly father handles all of our troubles.
Your Mother loved you so much and how grateful you were to have her by your side. Again. We are not perfect like your Mom. If I could only be half of the Mother she is and was to you.
I truly am sorry you are no longer with us in life. The light that you shown will always be with and in us. I am very thankful to have known you. God bless your Mother and may she find peace.

“ When I seen your sisters post, I was in disbelief. No!!! This isn't real.
You are so young and have a lifetime of laughs, love, hurt and
sadness to experience. Unfortunately, we must experience hurt and
sadness to know love and sadness. You left us with both. I have so
many good happy and funny memories with you and those I will
cherish. I love you kiddo and you are missed. Until we meet again
fly high and keep my baby girl company💋❤️💋❤️

TL

i worked with you on tuesday and let you hold on to my ladder and cash til i got back like it was no big deal. i thought you were doing fine and expected to finish that house and more once thanksgiving was over. i still cant believe the disease took you out and i am just now getting over being so enraged that there wasnt something i could have done of said to change things. i hate this disease so completely but i have to accept what i cant change. Rest in God's love forever and I pray for peace to come to your family in such a tragic time. i will always wish i couldve said something but i'm only one voice.
