“ *Diane, a beautiful, beloved sister in Christ. I miss you and treasure the few conversations we have had over the past years, from finding out we both love sci-fi (no matter how bad the movie is) to complaining that we can't find jeans long enough for us to wear. I thank God that He blessed many of us with your loving friendship and your kindness that will not be forgotten. You had a huge heart that touched the lives of everyone you met. As the song reminds us, your chains are gone, you have been set free.....you are now in good hands, my sweet friend.*

*Love ya,
Bonnie C.*

“ Remembered by my 6 year old as her "favorite teacher." She was such an amazing teacher and so gentle and patient with the kids... Remembered by me as a living example of the love of Christ and the power of the Holy Spirit. What a treasure to know her on earth and exciting to know that I will see her again!!!

“ Diane was a very dear friend and will always be in my heart. She knew what to say and do to keep you smiling. She was always there to help out when you needed her. I will not say good by to her, for I will see her some day, when I am called home. Your friend forever.
