

Diane J Mroz

November 1, 1949 - September 8, 2022

Diane J. Mroz, 72, passed away peacefully on September 8, 2022, from complications of Stage IV Chornipal Melanoma Cancer and Posterior Cortical Atrophy Disease. "Oma" was born in Mt. Clemens, Michigan and was a long-time resident of Big Rapids. She is survived by her daughter Jennifer (Dean) Jackson and son, Scott Mroz; grandchildren; Lauren and Katie Mroz and Forrest Jackson. Everyone who knew her felt her kind nature through her warm genuine smile. She was always making people feel appreciated. These gestures weren't grandiose in nature or planned, they were part of who she was as a human being. Due to the rareness of her disease, Diane's body was donated to Wayne State University for further research and to help others with this same condition.

A private memorial service for Diane will be held on a later date. Diane chose memorial donations to be made to the Alzheimer's Association in memory of her. Alzheimer's Association Michigan Chapter, 225 N. Michigan Ave. Floor 17, Chicago, IL 60601 www.alz.org

In honor of her late husband, Robert Mroz, please consider contributions to Suicide Prevention Resource Center, 1000 N. E. 13 Street, Nicholson Tower Suite 5900, Oklahoma, OK 73104 www.sprc.org

Additionally honor her spirit of helping to others and concisely think of her and go out of your way to assist someone in need.

“ I found Diane's tribute page while researching my genealogy. My grandmother was Margaret Sebold, cousin of Diane's father, Edwin. She and my father are 2nd cousins. I can see a family resemblance in her photo. I'm sorry that I never got to meet Diane. She looks like a lovely woman. My condolences to her family. God bless. -Lisa

“ Di and I have known each other for 20 years. We became companions, shared many times together. I will miss her deeply. I recall every day we shared with joy and her smile will remain with me forever. She instilled in me such grace and outlook on life that has shaped my thoughts. We had so many shared times, antique tractor shows, camping and much traveling. I am so saddened, but I can hear her encouraging word for all of us. Thank you Di, Love Jim.
