“*Lady Diane was great to be around all the time. I remember when she came over to try on dresses for an event she was going to my Mom and I had such a great time we laughed and had such a great time. Kent and her brought Abby over for a fire in the back yard and we had never laughed so hard. She will always be in are hearts and never ever forgotten. I really believe she is and always will be an Angel. We love and miss you with all our hearts. Katy and Dawn Kincaid*

“ As everyone knows, Halloween is Di's favorite holiday and I don't know when it began but I started to give her a Halloween bag and every year it got more outlandish. So her and her sisters were planning a party for Friday the 13th and Di asked if I would give her her bag then as she wanted to show everyone. I said yes, but don't think that you'll be getting another one Halloween day. She laughed and said Me and said yes you! That was last Friday when I was over and on Monday I was saying goodbye to my best friend in the whole world. We all shared fun times, laughs and "tons" of food over the years. She loved to listen to my son Matt play his guitar, even though he was loud at times. He in return loved her. Have known Kent and Lady Di for 27 years. Now enough time Di, not nearly enough. Miss and love you my friend. Barbara and son Matthew Moran

“ Kent we are deeply sorry for your loss. Di was that special person that made sure the parties and events always ran perfectly. Usually being the first one there and last to leave. She loved to orchestrate and was flawless. She will be missed deeply. Such a joy to have her around. Her memories will live on with us. God bless!

“ It has taken me all week to write a tribute to such an outstanding, caring, loving individual. My family met Kent and Diane at the Riu Caribe in Cancun around 2005 or 2006, the year escapes me. We continued to reunite annually if possible and had an opportunity to visit them in Michigan at the Kincaid lake home one year. What a pleasure it has been to have shared life memories with the both of you. Kent, it pains me that we cannot make the trip due to distant and schedules. Know that we (Myself, Jordan, Jake) care so deeply for you and Di and are so saddened by the passing of this beautiful human being. Kent and Diane, we love you as family. Thank you for opening your arms to us and making us feel part of your family. Cancun in January may never be the same, but the memories canNOT be taken away from us. Lots of Love and HUGS from WISCONSIN..... Lady Di, rest in peace and may no more pain and suffering riddle your days..... You are better than that type of treatment. You deserve the grace of God with royalty treatment as only our LADY Di deserves..... Always, from Wisconsin.....Jenny, Jordan, Jake Mattison

“ We met Lady Di and Kent at Riu Caribe in Cancun, about 10 years ago. We were delighted we lived so close and over the years, we have spent time together. Tiger games, Rick and Karen's cottage (which was Diane's favorite place), bonfires, tiki bar and pool days, playing board games and cards & Rizzo's. They treated us like family. Diane liked to cook and we loved to eat her famous honey glazed ham and roasted turkey at Thanksgiving. Awesome memories and some great belly laughs! It was a pleasure to be with Lady Di, she will be greatly missed but her warmth, kindness and gentle spirit will be remembered forever. Keeping you close in heart and prayer.

“ This is such a tragic loss to everyone who knew her. Kent and Di have been part of our family my whole life and not seeing her smiling face or getting her warm hugs at all of our parties will definitely be missed. Every time the family had a party, or my Uncle Mark and Aunt Sandy were going to be there - I knew Kent and Diane would be there too...because they were part of our family. Kent was joking referred to as the Eddie Haskell by my grandma and Diane would laugh at all my grandpa's jokes. She was an absolutely lovely person and I'm sending lots of love and hugs to heaven. “ I will always cherish the short time I knew "Lady Di." We met at the Riu in Cancun, January 2015. What a beautiful, delightful, warm, generous and welcoming lady. I was so taken by Diane and her husband, Kent, that I went back to the Riu the following January to "reunion" with them. And THAT year, wouldn't ya know, she brought me a gift from Michigan--A Tigers tee shirt, of course!!! I never sat alone for breakfast or lunch at the Riu, as Lady Di and Kent saw to it that their table was always open to me. My sincere sorrow to Kent and all the family, friends co-workers and the "Cancun" family you so lovingly developed together. Ginger Fitzgerald AKA: "Betty Liberty"

“ Heaven has gained what we have lost. I will always remember all the family events where Diane was the one helping to set up and clean up and keeping the party going. Always positive, always a smile and a hug. You will truly be missed by your family and friends.

“ *Heaven gained a special angel today. 💕💕 Next to my Mom, the person who taught me how to properly clean (down to the type of cleaning cloth used!) and how to make sure family was well fed would definitely be you, Aunt Diane. You always made sure that everyone in your presence was well cared for and taken care of, especially our parents. We love you and we know that you are smiling down on us along with Mom, Dad and everyone else. May you Rest In Peace ❤️*

Kent I am so sorry for your loss. Di was that special person that was ALWAYS there to give a helping hand. ALL the parties we attended Di was there to make sure everything ran perfectly. She knew how to control the event. She is a very special person and we will miss her deeply.

“ I had been introduced to Kent through my wife Carol. Lady Di is how her beloved husband Kent always called her when we talked. Myself being unsure and slightly slow on things (I said slightly). I had to ask my wife later if Lady Di actually is some form of royalty? My wife look at me as she does from time to time as if I were slow. She advised me that is Kents loving name/title for his lovely wife.

I was introduced to Lady Di somewhat after this conversation happened . I can tell you that it may be Kents loving nickname for her (Lady Di) but I found her to be Graceful, Kind, Elegant she would give me gifts like Tigers tickets, sausages....from that time I felt I understood like a folk story of meeting a Princess and I always referred to her as Lady Di also ❤️👑

“ I'm blessed to have known Di through Tiger games at Comerica Park. It was always great to see her when she would accompany Kent to the games. After all, she would try to keep Kent in line ! Haha. We will miss you Di, heaven has gained a great Tiger fan and an amazing woman.

I was very privileged to know this awesome lady. Haing worked with Kent for many years I was able to meet this beautiful lady. And she was an awesome cook! Her love will forevwr shine down on Kent, her family, and her furbaby Abby. Fly with the angels Lady Di!

Diane lived by the Golden Rule "Do to others as you would like them to do to you." My sister loved to meet the needs of others.

*She was a caring and considerate person. When she cooked it wasn't for her and Kent, but also for her neighbors. I will never forget our days together, whether we sat and watched *The Chew*, went to the doctors, talked about our families, looked at old photos, did a puzzle together or polished Di's nails.*

God blessed my life by giving me this time to spend with Diane. I miss her and love her so much.

Diane is now in the arms of our Heavenly Father. How great His love is for all His children. Until we meet again, I love you Di.
