“ July 8, 1964: The day the world became a better place. There are no words to express my profound sadness. But there are memories from 35 of the best years of my life. Not only did Nick make me a better person, she made me want to be a better person. My thoughts & prayers will forever be with your family especially Mark and Ethan.

Frumpy, Shadow, and ALL the rest are wagging their tails. I love you my friend, and miss you like crazy.

“ I am so very deeply saddened by this news. I had worked with Diane several years ago. Though I hadn't seen her in some time, I will always remember the great times and laughs we shared. When she was pregnant with Ethan, we threw her a fabulous baby shower at the school we were working at. Such fun times; such fun memories. My deepest condolences with prayers for comfort, strength, and peace to all of Diane's family and friends. Most sincerely, Mary Pelgus ”

“ I remember meeting Nick before they were married while in town from Seattle. It was clear then they were destined for each other. Since then, I married and we all saw each other once or twice through the years. We are saddened with her passing. May God give you all comfort, peace, and healing in the days to come. Dean and Pam Force ”

“ We came to know Nick through one of our best friends Mark while sorta double dateing. We spent several Friday nights going to comedy clubs, movies or just out to dinner. We knew early on that she was one for Mark. We are deeply saddened by your loss and know that Nick will surely be missed. God bless you all. Bob & Verna Failer.
