“ *Our Deepest Sympathy goes out to Diane’s family.
She was a kind and caring person who always put her family first.*

Diane was a lifelong friend & step sister and our hearts are broken with her passing. There are so many stories and memories we have to cherish and that’s what we will remember to work through our grief. Never to be forgotten!

We know she suffered with so many issues at the end of her life but her soul is with God now and she is at Peace.

May we all find comfort through prayer and support from each other during this difficult time.
