“ Deepest sympathy to Diane's family, friends, and coworkers. She was a beautiful, kind woman who always greeted me with a smile when I went to Laser Dental. May the sadness felt today somehow bring joy as we reflect on the love and kindness she show others.

“ *My thoughts and prayers are with Diane’s son, her family and coworkers. I still remember the very kind and warm welcome I received from Diane at my first visit to Laser Dental — almost 24 years ago. She was always so personable, asking about my life at every dental visit, and remembering details about my family and children. I will really miss her! — Carolyn Plague*

“ As a first cousin, related through our mothers, we were always together for birthdays, holidays, graduations, etc. I cannot remember a family event without Diane and the Arini family. Even after I relocated to California nearly 40 years, I never missed spending time with her family when I visited MI. Yes, it's true that families have changed, but I thank God for all those special memories that are forever nestled deep in my heart. These are truly the foundations of FAMILY! God bless my sweet, sweet cousin. You are home. REST IN PEACE! 🙏🌸
Love you, Sharon
