“ Chris and family...my thoughts and prayers are with you during this difficult time. I was shocked to hear of this news and am deeply saddened for all of you.

I haven't seen your mom in several years, but hearing of you talk of her, she seemed like an incredibly strong and spiritual person. Cherish your memories and find peace in the many great times you shared with her while she was still with you.

Stay close and take care of each other...you will all make it through this together.

Take care,

“ I wish I could have made the viewing to support you Chris. Unfortunately there were work issues that had to be taken care of.

My family wishes to extend our deepest sympathies and know you will rejoice in celebration of your mother's life.
