“ *Ma Potie,*

Fond pictures are in my mind of the fun, laughter and spontaneity that we shared. A great woman on this earth you were, and angel in heaven you now are.

“ *My Dear Potie family, it saddens me to hear of our Dianne's passing. She has always been a special person to me & I think of her often. Her time of pain is over & she is free of the worldly body that held her back from doing all that I know she would have loved to do. As for you that are left behind know that she loved you all very much and spoke highly of you & I am sure that she is watching over each & every one of us. My Love and prayers to all of you, Fran Carlisi {bak-bak}###imported-begin##Fran Carlisi###imported-end##*
