Diane and I are cousins when I was 13 we had just came home from Arizona. Uncle Bob and Aunt Helen invited me to come visit them during the summer. Diane and her friends would have little shows of song and dances for the neighbors. We went to the Woods show and seen all the Elvis movies. We both got married and started having babies and stayed in touch . Then time passed and visits got fewer until even the phone calls . She is very special to me. I have my memories that make me smile. But so sad shes not with us anymore. Her pics with her family are amazing!
My condolences to her family. Always love you Diane your in my heart ALWAYS. Karen Fournier Zysnarski
