

Dolores "Dolly" Dombrowski

July 26, 1927 - May 7, 2017

Dolores Ann Dombrowski, affectionately known as Dolly to everyone that knew her. Born in Detroit, Michigan to Michael and Katherine Ignasiak. She was the last surviving sibling to Walter Ignasiak, Harold Waltman, Chester Waltman, Benjamin Waltman, Albert Waltman and Monica Pawlaczyk. Dear wife of the late Henry (Hank) Dombrowski. Godmother to Elaine, Carl, Jeffrey and Diane. She was a dearly loved Aunt, Cousin, Godmother, friend, neighbor, co-worker to many. She was quick to make friends with everyone she met. She loved her church St. Louise de Marillac and her fellow parishioners. She was for many years, one of the "pierogi ladies", helping make pierogies for the church fundraiser. She was employed for over 40 years at Pfizer (a.k.a. Warner Lambert, Parke Davis) and retired in 1987. She found many lifelong friendships at her workplace and especially her friendship with Sophie Szydowski. She was fond of creating charming nicknames for her those around her, for example, Junior, Conswayla, Briannca and many more. She loved to laugh and many times would play funny harmless pranks on her unsuspecting guests. We love and are already missing our dear Dolly.

“ Some of the best memories I had as a child growing had Dolly and Hank in them. They were part of a unique group of friends which included my parents, Frank and Ilene Gorczewicz, as well as, Bob and Stella Borkowski, Chet and Freida Jaskolowski and Bob and Vicki Borkowski. This crazy group of adults with all their jokes and shenanigans constantly had all us kids looking up to them and only wishing that some day We would have friends like these guys. I was so sorry to hear about Dolly, she was an incredibly sweet and kind lady, never a bad word to say about anyone. She will surely be missed down here, but Hank and the rest of the gang have a seat at the card table waiting for her. She will always be missed and Loved, Thank you for the memories sweet lady.

David Gorczewicz and the rest of the Gorczewicz gang.

“ To a dear friend who always brought back memories of a time many, many years ago...a time full of joy and laughter as we made our daily carpool commute to Parke Davis back in the early70s. These are memories I will always hold dear to my heart. I am especially grateful for her friendship with my mother and the special bond they both had with the infamous "Pierogi Ladies." Rest in peace, Dolly. I know you are in the presence of the One who has called you home. My condolences to the family.

“ Sweetheart, that was the definition of Dolly. She was a wonderful, kind and funny lady. I've been blessed to have been her friend and neighbor for the last 24 years. I've come to know her family over the years and to see how much they loved her. I know she loved them all very much too because she talked about them all the time. I'll miss our conversations over the fence, lunch every Friday or just a wave and smile whenever we saw each other in our back yard. She had a long and loving life and I will miss her very much.

With much love and sorrow to her family.
