“ *From the unforgettable Christmas Eve parties with more gifts than we could count, to the time you visited me in florida and stood on Josh's surf board. From the days of childhood eating tons of M&M's from your M&M dispenser and looking at all of your collectables to spending hours and hours with you while helping care for grandpa. I have so many great memories. You've always put a smile on my face and brought me comfort. You are already so missed grandma. -Kristy*
