“ Uncle Rome, Debbie, Karen & Doreen,

My heart breaks for each one of you. Aunt Dee was such a special woman. She was such a courageous fighter to the very end. She had so much love for her family and so many of our rich family traditions are because of her. I have many fond memories of all the years of cutting down Christmas trees with our families together and the countless Christmas Eve celebrations where she would wow us with her culinary excellence. We were all blessed to have such a wonderful close family that has shared in so many laughs. Many of those events would not have happened without her strong love for family.

I know you all worked so hard as well to keep her comfortable throughout her illness. I hope time and fond memories will eventually bring you peace. Much love to you all.

With deep sympathy,

Wendy
