“ Just want to let you know Mom that i miss and love you more every solemn day that goes by without you. It just isn't normal for you not to be here for Dad and the rest of us who cared for you every single day. Our days are filled with sadness even though you look down upon us saying "Do not grieve, for i am at peace". Please always watch over Dad and know how much we all are trying to do our best to carry on without you. Rest in peace, Amen.

“ I love you "cheeks", you are always around I eel your presence of happiness and clear air. I had a dream about you a few nights ago. You rubbed my forehead while I was asleep, and kissed me on my nose, and told me, "everything is going to be alright dolly", you told me you love me, and I told you I love you back. And you walked out of my bedroom, and closed the door. I woke myself up from talking in my sleep. I smiled grandma, cause I know you were here. You rock! Kiss Jesus for me. Hugs and smiles!
All my lovins,
Marlene

“ *Gramma, my beautiful angel....you still are the only woman in my life that showed me love, in every way possible. I know you were ready to go home, I have peace in my heart, knowing you are in a much better place. You're finally with Jesus, and everybody you loved dearly. There are way too many memories to start up with. But I know in my heart you love me, and will forever be my guardian angel. I will carry all of these beautiful memories, and cherish every single one of them. You taught me more than anybody else could ever. I will see you again, and it's a perfect place to meet back up with you. Your smile is embedded in my mind, and my heart no longer aches from the pain you've been thru. I smile because you are my gramma, and the best lady ever. Kiss Jesus for me gramma. And I love how you came to visit me a few times today. I feel your presence.*

*I will always love you,
Your eldest grand daughter,
Marlene*

“ *Grandma, there are no words to describe how much I miss you already. It's been a little over a day, but it feels like a lifetime. You must be so happy to see John and Vicki again. I will always cherish all of the time we had together, from playing Yahtzee for money (with your pennies you would give me) when I was little, to our fun casino trips (you were SO lucky!), to painting your nails. Thank you for being such an amazing person, and such a loving, caring grandmother. You will forever be my "little graham cracker" that I love to pieces.*

“ Mom, its only been one day since you went home to Heaven to be with Vicki, John and the rest of our deceased family members, and it seems like forever. You were the most loving, caring, generous, magnificent mother anyone could have. I love and miss you terribly. BBy But i know you are painfree, happy and a beautiful Angel. I just don't know how my life will go on without you, from seeing and c areing for you everyday. But i know you would tell me to be strong for dad, and that i will do. It's incredibly difficult to live life without you. I miss your smiles, hugs, our laughs along with just staying with you. I know that one day we will see each other again, but until then know how much i love you and miss you. Rest in peace mom, and like we used to tell each other everyday " i love you a whole bunch of cookies"!
