

Dolores A. Wend

December 26, 1936 - October 3, 2024

Dolores A. Wend, of Clinton Township, passed away on Thursday, October 3, 2024 at the age of 87. She was born December 26, 1936 in Detroit, Michigan to John and Elizabeth (née Gladish) Revak.

She married Thomas Wend in October 1967 and 4 children soon followed. After only 13 years of marriage Thomas passed away in 1980 and Dolores was left to raise their children on her own. Raising 4 children on her own was not always easy, but Dolores always managed to get through the hard times and never took for granted all the good times they all shared together.

Prior to getting married in 1967, Dolores worked at Ford Motor Company for 14 years as Secretary where she was a proof reader of owner's manuals. She enjoyed hobbies such as cross word puzzles, eating at nice restaurants like JBaldwin's, which was her favorite and crocheting many wonderful Afghans and things for her children and 5 grandchildren. At one point, Dolores also started taking cake decorating classes and golf lessons. However, as she would tell the story with a smile, her golf career was cut short after her first lesson when her instructor told her "to stick to decorating cakes"!

Beloved wife of the late Thomas. Dear mother of Doreen Wend-Tatge, Stephen Wend, Gregory (Sheila) Wend, and Brian (Madi) Wend. Loving grandmother of Nina (John) Cardamone, Jason, Alyssa, Bianca and Lily

Wend. Dear sister of Joyce, Betty and Lauretta.

Family and friends will gather on Saturday, October 12th from 11 a.m. until time of Memorial Mass 11:30 a.m. at St. Ronald Catholic Church, 17701 Fifteen Mile Road (between Garfield and Kelly) Clinton Township. Interment Mt. Olivet Cemetery.

“ Grandma, I have so many wonderful memories with you: you watching me dance, being with me for my Confirmation, and all the visits in between. I love your smile and your laugh, and all your sayings that I didn't always understand, but made me smile nonetheless. Thank you for all the love and joy you radiated to everyone around you. I love and miss you so much.

Your granddaughter,
Alyssa

“ Dolores was my Mom (Marge Nenergut-Blahovec) 1st cousin. Dolores mother Betty was my Godmother, and my Grandmother (Mary Gladish) was her sister. The last time I saw Dolores was at my Dads funeral about 10 years ago, she was a lovely person and often called my Mom to see how she was doing. My condolences to her family.

“ *Aunt Dee – I’m really going to miss talking to you and how you always made me laugh. Even during the difficult times, you always looked at life with a half FULL cup of water. I still have the Detroit Tigers hat that you gave Dennis (he wore it a lot). I wear it from time to time, but now I’ll proudly be wearing it in your honor too. Thanks for your love and all the belly laughs and happy memories ... and of course all the good eat’ins. Prayers to Brian, Doreen, Steve, and Greg and everyone who loved you. You will be immensely missed and forever in our hearts Cindy Lou* 🕊️🙏🏻💜

“ Grams,

I hope you know how much of an impact you made within my life. You will always be a part of me and who I am. You taught me to always laugh because if we couldn't, even through the bad- life would just be miserable. I'll always remember the random joyous moments we had: You always coming to my dance recitals, when you used to cook Polish meals for holidays, when you watched over me as a kid and I would play dress up, let me watch power rangers and I get in trouble, and eat all the glorious meals getting stuffed to the brim, and you making sure we had dessert and coffee after. I wish I had recorded more of your sayings because you had a silly quote for everything, here are just a few:

When someone would say "well": How many wells make a river

It must be jelly- cuz jam don't shake like that

When someone asked how are you-" Finer than frogs hair "

Black picks up everything but men and money (talking about lint on her pants)

When I needed to confine in someone - you were always there- sang "you are my sunshine, my only sunshine..."

For whatever reason you liked turtles lol. Through your collection of tchotchkes including religious memorabilia, you taught me some of the ways in which to handle life and taught me to, pray to saints and Mary through the rosary- still needs some practice. I'll also never forget the stories you told me from your golden years when you bowled a 250 because you had 3 screwdrivers, Or when you went out with a girlfriend in high school til the wee hours in the morning and your mother scolded and said you would even celebrate Three Kings Day, and you asked when that was.

I know you're finally resting peacefully with your husband now... Tell Elvis I said hello bayba.

My wonderful babushka who will always be in my heart. Love, YOUR petunia in an onion patch.

Nostrovia Dolores.
