“Gina, allow me to express my deepest sympathies to you and your family for your loss. May your mother be at peace with God in her heart and soul. Remember the good times and the smiles that she brought. She always reached out to share whatever it was she had. From her house to the food in the fridge for all of us brats hanging around EVERYDAY/NIGHT(even if she didn't have it). She touched many hearts and will never be forgotten.
