“ Mom, Its going on 13 yrs. since I last saw your beautiful face or hugged you ever so tightly. So much has happened during this time. Three more of your children have joined you and its so hard to know and realize that we will all be with you one day. I have never, ever stopped missing you Mom. My heart has always been so lonely without you. But Mom, I have to tell you something that has my life oh so happy.....I m a grandma! Yes, can you believe it? My beautiful daughter is now married with a beautiful daughter of her own. Her name is Charlotte and Mom, she has made me ever so happy. I hope and pray that you can see her. She is the single most greatest gift from God ever. Danielle has turned out to be a wonderful mother. So loving and so caring. Charlotte goes everywhere with her. If you see Danielle, you see Charlotte. And Mom, she looks just like Danielle when she was a baby. Of course I babysit for her while Danielle is at work. I wouldn't have it any other way. Charlotte brings me so much sunshine Mom. Now I know how you felt with your grandchildren. Hopefully Danielle will be blessed with more children but no one could ever compare to my little peanut, as I call her. Danielle and Charlotte are the light in my life, my reasons for everything. They give me hope. They give me faith. If I didn't have them both my life would have probably ended a long time ago. I started to have a dream about you the other night but I woke up before I could see you. I was so mad because the last time you came to me in a dream was months after you left us. Please, please come to me Mom. I need to feel you around me. They say that the people that have passed are always around you and they try to show you in subtle ways. Is this true Mom? Can you show me some signs? Oh how I have missed you. I love you Mom, always have and always will. Till we meet again...xoxoxoxo

“ Dear Krasnicki Family, Its me Teresa Martinez and I am also speaking for my siblings so share some of my memories that I had when I was just a little girl growing up and got introduce to the Krasnicki family, it was such a joy and I remember all the fun and dancing to the motown music in the family living room with Dolores, Susie, Carol myself and my sister LuLu. I remember all the great times just being around the Krasnicki family and all the occasion even when Edjue came home from the military and we had a surprise welcome home party with a engagement ring for Janice and it was put in the cake I remember lots of different and very happy moments in your home. And I will never forget Mrs Krasnicki Lays potatoes chips, and all the Love she had for all her children even for us the Martinez family and with that I will always hold it in my heart. Love always, Teresa Martienz & Family##imported-begin##Teresa Martinez##imported-end##

“ Mrs. K. I just wanted to let you know that you were always special to me - you opened your home and family and I always felt part of that. May the good Lord bless and keep you - and you will be greatly missed. I'm so glad we kept in contact over the years even if it was just by phone and cards.
And to the family, thanks for letting me get to know such a wonderful lady. My sincere sympathies to all. Love, Kathy

“ My Best Wishes And Prayers Go Out TO The Family. You Have Lost A Matriarch. An Anchor In The Family. She Has Been There Through The Births Of All Of You. And There Is No Doubt In My Mind That She Will Not Be Forgotten By Any Of Those She Has Touched. “ My thoughts and my prayers are with my dearest friends; Mary, Marie Dolores, Susan and all of your siblings. I was very sad when I heard about your mom. This may sound strange, but some people I just think that they are going to be with us forever. You mom was one of them.

I have lots of fond memories of your mother from when I was a young child, growing up in Michigan. She was always full of smiles and laughter. Even after a hard days work, I remember how she would look forward on kicking off her shoes and relaxing with her children. She already had a house full of her own precious children, and yet she would always make room for me and my sister, Teresa Martinez to come over and visit/spend the night.

With me living in Texas, I don't get the chance to visit Michigan that much. But when I did go up, a few years ago, I made it a point to visit Mrs.Krasnicki along with Mary, Marie Dolores, and Susan. Now I will cherish that visit even more than ever! It was also great to see both of our mom's together, too.

May the words of PSALM 23 bring all of you comfort:

"The Lord is my shepherd; I shall not want.

2 He maketh me to lie down in green pastures: he leadeth me beside the still waters.

3 He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

5 Thou preparest a table before me in the presence of mine enemies: thou annointest my head with oil; my cup runneth over.

6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever."

Amen

Sincerly,

Mary Lou Martinez##imported-begin##Lulu Martinez##imported-end##

“ Grandma, I have something to say to you but I will say it tomorrow in front of you. Because I don't know if they have computers in heaven. I love you more than words can ever say, & I will make you proud. It's going to hurt so bad to walk down the stage at my graduation this year, & look in the crowd & not see your face or hear you calling my name. You've always cheered me on no matter what I've done in my life. You raised your 8 kids, but you still took the time out & raised me too. You told me last week, "You've really changed, you've become a very nice girl" That's all I wanted to hear out of your mouth my whole entire life. I know we had our problems & we butt heads quite often, but you know I loved you. I would stay up at night & wait til I heard you cough or go to the bathroom so I could go to sleep. I'll miss the smell of your coffee & toast in the morning & see you in your chair reading the paper, cutting out coupons, & watching your soaps. My Grandma never wanted anything from anybody. All she ever wanted was a phone call, someone to come over & watch tv with. Someone to take her to get a hamburger, or to the movies. Someone to come sit with her & tell her about their day, or someone to take her on a drive. She enjoyed the simple things in life. She's been a faithful viewer of American Idol & Dancing with the Stars since it aired & anybody that's been to my house on a Monday, Tuesday or Wednesday knows that you cannot watch TV because hers would be blasting. I love you Grandma, I thought you'd live forever.. I thought you'd see me get married, & see me have my kids. I wanted so bad for them to know you. I wanted them to call you Big Grandma like the other grand children did, but I always knew in reality it wouldn't happen. But you know what, I'm wrong.. because you will see me grow into the woman you raised me to be, & have a family. You will see, Uncle Edju will see, Grandpa Krasnicki & Auntie Leahann will see. I love you all, & I know I have the best guardian angels in all of heaven, and for that I am blessed. We all we're blessed. As for the Krasnicki family, without our ring-leader, we need to stick together, that's all that she EVER wanted, & I know that because it came out of her mouth. She didn't have 8 kids, 13 grandchildren & 15 great-grandchildren for us to go off into our own little families & stray

away. Just give one another a call, a visit, anything.. because we're family & thats all we have is eachother. I love you all, I love you Grandma & I will see you tomorrow.##imported-begin##Danielle Anderson##imported-end##

“ Gram,

I think I am still in shock. I knew this day would come but I just wasn't ready. I don't think I ever would be.

I can't imagine not being able to call you while I'm in the middle of cooking something to make sure I am following the recipe right or to give you the scoop on what our crazy family is up to.

I'm so blessed to have had such a close, loving relationship with you. You have and always will be my inspiration!

I love you more than words could express and I will miss you so much.

Life has forever been changed but the memories will live on and keep me strong.

You'll be with uncle Edju for his birthday, I know he will be so happy and my one peace of mind is knowing that you are with him and he will take the best care of you!

Give him and and Auntie Leahann and everyone else big hugs.

I will do my best to keep your family traditions alive and strong.

Please watch over us and send us some of your strength.

I love you!
